

To: Judge Steven Rhodes
Case: 13-53846

The cut effect my ability to
to buy groceries, buy medicine, rent
it is like putting a gun to my head.
I work 29 years of my to the
city of Detroit. I feel betrayed
& under lots of stress not
knowing how I will be able to
survive ANY cuts in my pension.
Please consider how this will
effect me & my family

Yours truly,
Donald L. Souter
